OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

Dear Sir or Madam:

SUBJECT: Cancellation Order for Section 3 Pesticide Product Registration(s)

This letter is a final cancellation order advising you that under Section 4(i)(5)(G) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, EPA hereby cancels the registrations listed on the enclosure for non-payment of the annual registration maintenance fee due January 15, 2014. The effective date of this cancellation order is the **date of this letter**.

As the registrant of the listed product(s) you may legally distribute or sell existing stocks of the cancelled product(s) until **January 15, 2015**. Existing stocks are defined as those stocks of a registered pesticide product which are currently in the United States and which have been packaged, labeled, and released for shipment prior to the effective date of this cancellation order.

Unless the provisions of an earlier order apply or unless otherwise noted on the cancellation order attachment, dealers may continue to legally distribute or sell existing stocks of the listed pesticide(s) on hand until their supply is exhausted, provided that such further sale and use comply with the EPA-approved label and labeling of the affected product(s). It would be a violation of FIFRA for you or any supplemental distributor of your product(s) to distribute or sell any stocks currently in the United States which have been produced, packaged, labeled or released for shipment after the effective date of cancellation or to distribute or sell any existing stocks after the indicated disposition date. The Agency also expressly reserves the right to amend the existing stocks provisions of this Order if events should so warrant.

It is your responsibility as the registrant to notify any and all supplemental distributors of your product(s) that this cancellation order also applies to their distributor product(s). You may be held liable for violations committed by such distributors.

Some registrations listed on the enclosure may actually have been cancelled in the past for reasons other than non-payment of the maintenance fee. If this is true for any of your registrations, the effective date of cancellation, the disposition date for existing stocks, and all other provisions of any earlier cancellation order are controlling. Please contact Mick Yanchulis at (703) 347-0237 or yanchulis.michael@epa.gov if you have any questions regarding this cancellation order.

Sincerely,

Jack E. Housenger, Director
Office of Pesticide Programs
